

PERFORMA

PM-BAX5600 PELVIC HEALTH TREATMENT TABLE

This insert contains diagrams and part number information that is specific to the Performa PM-BAX5600 Pelvic Health Treatment Table.

Refer to these diagrams and part numbers in the event information regarding a replacement part is needed.

Wiring diagrams, cautionary statements and any other information not mentioned in this addendum is common to all BAX series tables and is found in the standard AM-BAX Series manual.

Please read all the product information carefully and contact us immediately with any questions or concerns.
